Remarks

Welcome to this beautifully upgraded custom Edison model by DR Horton, offering 1,984 square feet under air with 3 spacious bedrooms, a versatile office/den, and 2 full bathrooms. Located in a highly sought-after area of Venice in the gated community of Carribbean Village - just minutes from Wellen Park, world-class beaches, and charming downtown Venice with its vibrant restaurants and boutique shops. Step through the elegant double-arched entryway into a home that exudes style and sophistication. The soaring 9'4" tray ceilings in the entry hall, great room, primary suite, and both bathrooms create an airy, open feel, further elevated by custom crown molding throughout. Every detail has been carefully considered—from the brick-paved driveway and front entry to the lovely brick-paved lanai, perfect for relaxing with a serene private garden view. The home features tile flooring throughout, with laminate floors in the primary and guest bedrooms for added comfort and style. The spacious kitchen is a chef's dream with wood cabinetry, granite countertops, tiled backsplash, and stainless steel appliances—including a 2023 refrigerator and 2024 microwave. The primary ensuite is a true retreat, featuring a double sink wood vanity, a luxurious garden tub, and a fabulous walk-in tiled shower.
